## Salvation

In Sunday's Gospel, we hear another parable from Jesus about Salvation history. We hear how the king desires to have a relationship with us, his people. He prepares an irresistible wedding feast and invites us to it, but so often, we refuse. Heaven is described as the ultimate wedding feast and at every Mass; we are called to the same supper of the Lamb where heaven touches earth. Many are called but few choose to make themselves worthy to attend the wedding feast. All we need to do is accept his invitation and follow God's commandments to love him and our neighbour and then we will enjoy the fullness of life he brings.

**God of life, you invite all peoples to the feast of life in your kingdom. Forgive us when, in our foolishness, we refuse your invitation to pursue other interests, and bring us back to you table that we may continue to grow in the life of Jesus Christ, your Son and our Lord for ever. Amen**
