NOT PROTECTIVELY MARKED

06.12.2019

Dear Parent/Guardian,

I am writing this letter to inform you of our intent to target those drivers that park on the restricted area around your child's school.

We have had repeated requests from parents/guardians to tackle the issues surrounding parking around the school.

In light of this, Police with the support of the Civil Enforcement Officers from the Council, will attend the school with a view to issuing tickets to those committing offences.

Can I take this opportunity to remind you that the yellow zig-zag markings are there to assist in the protection of children.

Please do not stop for any period of time on the zig-zags, or any other restrictions around the school premises.

Many thanks for your co-operation.
